
XABISO XHANTI MPU

PROFILE

I am a 25 year old male with a keen interest in fashion, business and entrepreneurship. I have completed a bachelor of commerce (with specialisation in law) at the University of South Africa. I matriculated in 2013 with a 95% aggregate, and an impressive 94% in Math. I am a multi-talented individual who has founded his own eponymous clothing brand. My biggest drive in life is the distance between myself and my dreams, and my favourite quote is Maya Angelou's "homo sum, humani nihil a me alienum puto".

EDUCATION

UNIVERSITY OF SOUTH AFRICA – BACHELOR OF COMMERCE (LAW) - 2022

SKILLS

The purpose of the qualification is to provide learners with integrated knowledge of the central areas of law and commerce, including the disciplines economics, business management, and accounting sciences. This includes an understanding of and ability to apply and evaluate the key terms, concepts, facts, principles, rules and theories in the law and commercial fields. The qualification prepares learners as potential commercial role players with a solid background in law, who can be trained further to the exact needs of the business and corporate world, and are able to start and manage their own enterprises. Moreover, the qualification provides qualifying learners with the theoretical knowledge and practical skills to gain entry into the formal legal profession (e.g. attorneys/advocates) and other careers in law and related fields. The qualification also sets the foundation for advanced studies in law and/or commerce.
